

Product Info

Information for: All owners of a KOMPAN Dino Swing delivered before 2010.

Products involved:

Dino Swing - Wood	SPV-20200
	SPV22030
	SPV-24720
	SPVE24720
Dino Swing - Steel	SPM-40400
	SPME-40400
	SPMA-40400

Products delivered after 2010 include a safety chain.

As a proactive initiative, we have decided to increase the safety of the swing and offer a safety chain solution free of charge for older products as well.

Please note that we have recorded no incidents involving broken hangers or other hazardous situations.

safety chains

Steel version without the safety chain, please able to offer you the safety chain free of charge.
